CURRENT TEXT

~~Unit 1 Delta Park, Millmarsh Lane, Enfield, EN3 7QN September 2025 £1,610,000 £95,000 per annum 11,800 5.90%~~

SUGGESTED REPLACEMENT

Unit 1 Delta Park, Millmarsh Lane, Enfield, EN3 7QN September 2025 £1,610,000 £95,000 per annum 11,800 5.52%

EXPLANATION

The net initial yield for Unit 1 Delta Park does not reflect purchaser's costs of 6.80% as specified in the report. £95,000 ÷ (£1,610,000 × 1.068) = 5.52%, not 5.90%. Either the net yield should be 5.52% or the figure should be stated as a gross yield.

Critical | Consistency | S.17.1 #2

TEXT CONCERNED

In our opinion the property represents suitable security for a loan at a Market Value of £1,761,500

EXPLANATION

The Market Value subject to existing lease is not the same everywhere it appears: £1,650,000 in EXECUTIVE SUMMARY, £1,650,000 in 16.3, £1,650,000 in 16.4, £1,650,000 in 16.5, £1,650,000 in 16.6, £1,761,500 in 17.1. The other places agree on £1,650,000; either this figure or the others must change.

CURRENT TEXT

~~Units 2-3 Mollison Avenue, Enfield, EN3 7NJ July 2025 £2,150,000 £128,000 per annum 16,900 6.75%~~

SUGGESTED REPLACEMENT

Units 2-3 Mollison Avenue, Enfield, EN3 7NJ July 2025 £2,150,000 £128,000 per annum 16,900 5.57%

EXPLANATION

The net initial yield for Units 2-3 Mollison Avenue does not reconcile with the stated price, passing rent, and purchaser's costs of 6.80%. £128,000 ÷ (£2,150,000 × 1.068) = 5.57%, not 6.75%. Either the yield should be 5.57% or the passing rent should be £154,994.

Critical | Consistency | S.16.0 VALUATION #4

TEXT CONCERNED

giving £1,650,000 less 10% = £1,500,000

EXPLANATION

The stated discount applied to Market Value does not reconcile with the resulting figure. £1,650,000 × 0.90 = £1,485,000, not £1,500,000. Either the discount should be 9.09% or the value should be £1,485,000.

Critical | Consistency | S.16.3 #5

CURRENT TEXT

~~reversionary yield of 7.42%~~

SUGGESTED REPLACEMENT

reversionary yield of 7.92%

EXPLANATION

The Reversionary Yield is not the same everywhere it appears: 7.92% in EXECUTIVE SUMMARY, 7.42% in 16.3, 7.92% in 16.3. The other places agree on 7.92%; either this figure or the others must change.

Critical | Consistency | EXECUTIVE SUMMARY #6

TEXT CONCERNED

Equivalent Yield 5.40%

EXPLANATION

The equivalent yield for an under-rented property falls outside the range bounded by the net initial yield and reversionary yield by more than 1 percentage point. 6.50% - 5.40% = 0.01 percentage points outside the range of 6.50% to 7.92%, not 5.40%.

Critical | Legal | S.18.0 ENQUIRIES FOR LEGAL ADVISERS #7

CURRENT TEXT

~~18.1 Your legal advisers should confirm: the freehold title and the absence of any onerous covenants or rights of way affecting the yard; the lease terms summarised in section 10, including the rent review mechanism and the exclusion from the Landlord and Tenant Act 1954; that the tenant's 2022 office refurbishment was carried out with landlord's consent; the planning use; and an environmental search in view of the former gravel workings.~~

SUGGESTED REPLACEMENT

18.1 Your legal advisers should confirm: the freehold title and the absence of any onerous covenants or rights of way affecting the yard; the lease terms summarised in section 10, including the rent review mechanism and the exclusion from the Landlord and Tenant Act 1954; that the tenant's 2022 office refurbishment was carried out with landlord's consent; inspection and verification of the tenant's asbestos register; the planning use; and an environmental search in view of the former gravel workings.

EXPLANATION

Paragraph 7.2 states that the tenant holds an asbestos register that was not inspected, but this unverified document is omitted from the legal enquiries in Section 18.0.

Warning | Compliance | S.8.0 PLANNING AND CONSERVATION #8

CURRENT TEXT

~~8.1 The property is used for storage and distribution (Use Class B8) with ancillary offices. The property is not listed and does not lie within a conservation area. The London Borough of Enfield identifies the estate as a Strategic Industrial Location.~~

SUGGESTED REPLACEMENT

8.1 The property is used for storage and distribution (Use Class B8) with ancillary offices. The property is not listed and does not lie within a conservation area. The London Borough of Enfield identifies the estate as a Strategic Industrial Location. An Energy Performance Certificate (EPC) was not provided; a valid EPC is required before marketing.

EXPLANATION

The report omits any mention of an EPC. Where the EPC is missing, the report must state that a valid EPC is required before marketing.

Suggestion | Writing preferences #9

CURRENT TEXT

~~Description: The property comprises a detached, steel portal frame industrial warehouse unit constructed in circa 1988, with two-storey ancillary offices to the front elevation, a secure concrete yard and parking for 14 vehicles.~~

SUGGESTED REPLACEMENT

Description: The property comprises a detached, steel portal frame industrial warehouse unit constructed in about 1988, with two-storey ancillary offices to the front elevation, a secure concrete yard and parking for 14 vehicles.

EXPLANATION

Use 'about' or 'approximately' in full instead of abbreviations like approx., circa, or c.

Suggestion | Writing preferences #10

CURRENT TEXT

~~4.1 The property comprises a detached industrial warehouse of steel portal frame construction, built in circa 1988, with profile metal clad elevations over a brick plinth, a pitched insulated roof with translucent roof lights, and a minimum eaves height of 7.2 metres.~~

SUGGESTED REPLACEMENT

4.1 The property comprises a detached industrial warehouse of steel portal frame construction, built in about 1988, with profile metal clad elevations over a brick plinth, a pitched insulated roof with translucent roof lights, and a minimum eaves height of 7.2 metres.

EXPLANATION

Use 'about' or 'approximately' in full instead of abbreviations like approx., circa, or c.

CURRENT TEXT

~~11.1 The Lea Valley industrial market has seen rental growth of around 4% over the last twelve months for good quality units below 20,000 sq ft, with prime rents in Enfield now in the region of £15.00 per sq ft for new build and £9.00 to £10.00 per sq ft for secondary 1980s stock.~~

SUGGESTED REPLACEMENT

11.1 The Lea Valley industrial market has seen rental growth of around 4% over the last twelve months for good quality units below 20,000 sq ft, with prime rents in Enfield now about £15.00 per sq ft for new build and £9.00 to £10.00 per sq ft for secondary 1980s stock.

EXPLANATION

State figures plainly. Do not use 'in the region of' or 'in excess of' with a figure.
